

Assignment 1

Programme	:	All Branches	Semester	:	WS 2019_20
Course	:	Environmental Sciences	Code	:	CHY1002
Due Date	:	16-01-2020	Max. Marks	:	10

Answer all the questions

1	Explain the various steps in an ecological succession with an example.	10
2	Describe with neat diagram the Nitrogen cycle along with the effects of human activity on it.	5
3	Explain the Earth's life support system.	5

Important points:

1. Write the answers on a white sheet (legibly) → take a snap of all the sheets (bright readable image) → combine all to make a single PDF → upload → double check if it is the correct file after opening it (to avoid wrong uploads)
2. No extension will be given in any case. 1 mark reduction per day will applicable for submissions after the due date.
3. 50% of the total marks will be considered.
